SCOPE OF WORK

Monitor and analyze sentinel events, accidents, and formulate adverse drugs policy to prevent, report, and analyze the adverse events within the hospital through a robust ADR reporting system. Deal with external bodies and individuals for complaints on patient management and risk management policies to reduce actual/potential patient risk.

General guidelines for committee functioning:

- Committees shall meet regularly and shall determine the next date of meeting at every meeting.
- Agenda of the meeting (as per their scope) shall be determined beforehand and shall be communicated to all members of the committee.
- Committees shall discuss, analyze, take a unanimous decision and communicate the decision for implementation to appropriate department /personnel.
- Chairperson and convener of the committee shall bear the responsibility of committee functioning.
- Each committee shall determine the protocols of committee functioning and all committee members shall abide by it. A copy of committee protocols shall be kept in committee file.
- If a detailed analysis of specific agenda under consideration is carried out a record of same shall be maintained separately and filed in committee file.
- It is advisable that a specific member of the committee shall be given the responsibility of maintaining all the records of committee functioning and communicates it to concerned personnel in the organization.
- Committees shall monitor the implementation of decision taken through physical monitoring/ assessments/ review etc.
- Hospital and staff are obliged to follow the instructions.
- Committee shall review their functioning at appropriate intervals, as decided by chairman, to assess their functioning.
